(Love, Inspiration, Support, and Accomplishment)

The L.I.S.A. Fund was founded by Tommy Warner and MaryAnn Saiz, Lisa's parents. It provides funds through the Parents Against Cancer organization to aid families with children being treated for cancer and related blood disorders.

The L.I.S.A. Fund provides monies for the most basic and vital necessities and services for a family in crisis.

The fund has paid for food and refrigerators to keep medicine safe. It has provided telephones for calls to the hospital, covered car repair bills to ensure transportation for treatment, purchased heaters to keep homes warm and healthy, provided medicine and medical supplies not covered by insurance, fulfilled children's special wishes, and much, much more.

On August 15, you can make an important difference in a child's life. Join us for a great day!

Parents Against Cancer, a nonprofit organization, was formed in 1981 to support education, research and treatment of cancer and related blood disorders of children.

What Are the Goals of PAC?

- ✓ To improve services to children or families with cancer or blood disorders
- ✓ To provide emotional support, guided by licensed professionals, to patients and their families to help them cope with cancer or blood disorders.
- ✓ To educate patients, families and the community about new developments, treatments and other aspects of the disease.
- ✓ To raise funds to support projects endorsed by PAC.

presents the

15th Annual L.I.S.A. Fund Golf Tournament

To benefit children with cancer and related blood disorders

Parents Against Cancer, Inc.
R.S.V.P. with Enclosed Entry Forms

**The All New
Skylinks Golf Course**

Re-opened to the public on October 30, 2004 after a \$6 million renovation. The once flat course is now a beautifully undulating layout with a new par-72 course that features multiple tees on each hole, larger bent grass greens, all new Bermuda grass tees and fairways, four beautiful new lakes with fountains, 80 new bunkers, 800 new trees, more than 2,000 new shrubs, a sparkling waterfall, and a re-designed 7,500 square foot clubhouse.

Monday, August 15, 2005
